. . . in this book we call

A L M A M A T E R

At the foot of the mountains

Is our College; proud she stands,

Serving all who want her service,

Blessing all with outstretched hands.

Alma Mater, Alma Mater,

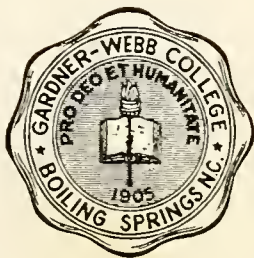

We sing our love to thee;

We pledge our hearts in deep devotion

Our love, our faith, eternally.

BOILING SPRINGS, NORTH CAROLINA

*"Where the young could have the best
possible educational advantages under
distinctive Christian influences"*

F O R E W O R D

Here it is—your 1950 yearbook. In it we have attempted to trace the growth of our college through the years, through the buildings, through the faculty, and above all, through the students. We have tried to give you a picture of the true Gardner-Webb—"serving all who want her service, blessing all with outstretched hands." This '50 Anchor is our hope, our joy, our pride. Enthroned it in your hearts, for it's a sacrificial service, for *you*.

D E D I C A T I O N

To Santford Martin, Jr.,
Professor of English—for
his unlimited kindness, his
human understanding, his
warm sympathy, his youthful
exuberance, and his unerring

sense of fair play—this
Annual is affectionately
dedicated.

The Boiling Springs Baptist Church gives each student a sense of security and provides social and spiritual fellowship which he would otherwise miss while he is away from home. The religious organizations of the college are a part of its whole program.

1905

Boiling Springs was selected by the Sandy Run Association and the Kings Mountain Association as the location of a school of high school grade. The school was chartered on December 2, 1905, as The Boiling Springs High School, Incorporated.

Dear Fellow Students:

This is the time of parting, but this little book, *THE ANCHOR*, will be a magic key with which you may unlock the doors of yesterday and go back to live again many of the experiences of today. At our parting I should like to place in your hand a little token—a kind of allegory of all that is essential in all the progress of our going. It is contained in a little device used again and again by the poets—a little physical picture with a spiritual counterpart. Perhaps you would call it a picture with overtones.

It may be that the sum of all pain or happiness is only what ONE is capable of experiencing. It could be that the minutest particle of matter is a miniature solar system. It could likewise be that when we find the central basic truth of life we have potentially all there is to have.

Here is the token:

A noiseless patient spider,
I mark'd where on a little promontory it stood isolated,
Mark'd how to explore the vacaut vast surrounding,
It launch'd forth filament, filament, filament, out of itself,
Ever unreeling them, ever tirelessly speeding them.
And you, O my soul, where you stand,
Surrounded, detached, in measureless oceans of space,
Ceaselessly musing, venturing, throwing, seeking the spheres
to connect them.

Till the bridge you will need be form'd till the ductile
anchor hold.

Till the gossamer thread you fling catch somewhere, O my soul.

*Most Sincerely Yours,
P. L. Elliott*

About Our Class

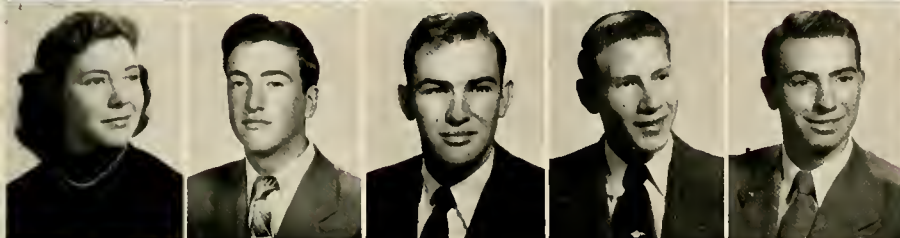

We, the Freshman Class of Gardner-Webb College, have sincerely enjoyed our first year here. We are looking forward to returning next year, and taking up where the Sophomores leave off this year. Some of us will return, some will venture forth into the world, and still others will continue their education in other institutions, but wherever we go, we shall always remember Gardner-Webb College and always cherish the memories of the joyful times we had on its campus.

GARDNER-WEBB OPENS AS A JUNIOR COLLEGE

A C T I V I T I E S

In 1928, after the campaign for funds by the Kings Mountain and Sandy Run Associations and the Baptist State Convention had been completed, the school was opened as a junior college, with J. Blaine Davis as its first President and J. D. Huggins as the Dean.

Twenty years later the college became a member of the Southern Association of Colleges and Secondary Schools.

COLLEGE GOVERNMENT ASSOCIATION

Edith Hoyle, James Stamey, Margie Fay Nanney, Shirley Huskey, Nancy Ruth Fort, Frazier Cherkas, Ola Maye Cannon, Tom Key, Horace Lee Cline, Leonard Cline, Willie Kate Baldwin, *Student Government Faculty Adviser.*

The College Government Association is composed of the entire Student Body with its executive power vested in the Student Council. Three main divisions comprise this association: the Legislative Body, the Judicial Board, and the House Councils. These divisions have executive, judicial, and legislative authority over the conduct of all students.

Student Government endeavors to encourage cooperation, loyalty to the college, and a spirit of love and friendship among students. It also sets for each student the desire to maintain a high standard of honor in all phases of college life.

BAPTIST STUDENT UNION

The Baptist Student Union makes Christianity collegiate, college life Christian, spirituality pre-eminent, student friendships happy, and student Christianity maximum. The B.S.U. has one main goal; God predominant in the life of each student at Gardner-Webb. Groups meet in Sunday School, Training Union, Vespers, Morning Watch, and Noonday Prayer Meetings to strengthen commitments to this purpose.

Seated, left to right: Sue Curlee, First Vice president; Josephine Bradshaw, Treasurer; Evelyn Krause, Third Vice president; Zeb Moss, *President*; Martha Lane, Second Vice president; Mary Lena Patterson, B.T.U. Director; Betty Logan, Chorister; *Standing:* Stephen Morrisett, Sponsor; Rufus Morgan, Christian Volunteer Band Representative; Geraldine Turnmire, Secretary; Bob Patterson, Sunday School Superintendent; Bobbie Wray, Pianist; Bill Kincaid, Publicity Director.

JONAS BRIDGES
Student Program Director

GARDNER-WEBB

Unique among junior colleges of the South, the Huggins Memorial Radio-Communication Center on the campus of Gardner-Webb College produces weekly a variety of student-talent radio programs for thousands of North Carolina listeners. Most of the productions go through WOHS (Shelby) and WBBO (Forest City).

Weekly delivery of the popular college radio series calls for close organizational coordination between the student production staff and engineering crew. The program staff and engineering crew are under the direction of Jonas Bridges, ably assisted by James McDaniels.

On Sunday afternoon, "Twilight Embers" may be heard over the broadcasting facilities of WBBO from the college campus.

Professor Hamrick makes last minute check on script before the play-makers go on the air.

This outfit, known as "The Varieties", has the shortest half-hour in radio. Their style ranges from the slow, sentimental numbers to *Basin St. Jazz*.

ON THE AIR

The Gardner-Webb College Playmakers present a special radio adaptation of Charles Dickens' *Christmas Carol*, introducing Paul Williams of Rutherfordton as Scrooge and featuring the choir in the background with Christmas carols familiar to both the Dickens generation and our day. The Playmakers are sponsored by Professor J. Y. Hamrick, college dramatics head.

On a crisp autumn afternoon, the college choir, led by Director Stephen Morrisett, sang for a half hour from the transmitter terrace of Southeastern America's pioneer FM radio station, WMIT, perched some 6600 feet above the eastern coastline. The broadcast from Mt. Mitchell was dedicated to the memory of Ambassador Gardner.

"It's a touchdown!", with Ken Bost at the remote, Dan Washburn and Frank Honeycutt as spotters for "Stern" Bridges who opens the '49 season.

BETTY JOYCE JONES
Editor-in-Chief

It is with profound amazement that we, the staff, are at last able to see our dreams become a reality. Although ours was no life of ease, we like to think of your hands turning the pages, your eyes finding familiar sights, and your hearts being warmed with our yearbook. May these pages keep forever before you the "happy college days that mean so much to each of us."

To Mr. Troutman, we wish to express our deepest appreciation for his willingness and untiring efforts in serving as the sponsor of our *Anchor*. To those who labored unselfishly and efficiently in selling ads and preparing the material, we sincerely thank each of you.

A vital part in the lives of the students of G-W is the College Choir under the direction of Professor Stephen Morrisett. The Choir presents radio programs, Christmas concerts, Easter cantatas, Maytime melodies, and other inspirational musical activities. The results of the choir's efforts provide joy and inspiration to the members as well as to their audiences.

The aim of the Y. W. A. is to unite the young women of our campus in an enduring missionary enterprise through which they shall show forth the purity and beauty of the Christ-like character by living a radiant and convincing life in spiritual and social relationship.

CHRISTIAN VOLUNTEER BAND

The Christian Volunteer Band is composed of those students who are entering into full-time Christian work—missionaries, ministers, religious education workers, and others. The Band which meets each week for a period of spiritual refreshment and fellowship usually has a guest speaker present views on a certain phase of Christian service. In addition to the members who are pastors of nearby churches, there are many who engage in Christian work in neighboring communities.

Girls With An Eye To The Future

The purpose of the Home Economics Club is to stimulate interest in and to acquaint the girls with opportunities in the field of home economics and to provide for fellowship among their classmates. This club is open to all students who are enrolled in home economics or who have had a previous course in home economics.

SCIENCE CLUB

First Row: Marietta Hamrick, Sponsor; Shirley Huskey, Mary Lena Patterson, Ola Maye Cannon.

Second Row: Janie Rea Dunlap, Edith Hoyle, Paul J. Stacy, Sponsor; Modene Stroupe, Secretary; Paul Williams, Roy Lee Smith, Margie Nanney, Gerold Smith, President; Hubert C. Dixon, Sponsor.

Things Must Prove Themselves

It is the aim of the Science Club to do all in its power to promote the ardent, but clear-headed and unbiased research the world so badly needs. It is composed chiefly of those students who intend to major or minor in the natural sciences and who have outstanding scholastic records in all fields.

GEROLD SMITH
President

First Row: Alfred "Rabbit" Homesley; James "Hook" Moon;

Second Row: Tommy Barrow; Eldred Billings; Bill Puckett; David Peeler; Coach Bradburn; Cecil "Speedy" Rollins;

Third Row: Noble Ball; Charles Morton, Coach Harris;

Fourth Row: Ted Hope.

This season, Coach Bradburn's Five won 9 conference games and lost 7 to wind up in the No. 3 spot in regular season play. James Moon topped the scorers, hitting for 330 points in 20 contests. The Bulldogs won a quartet of non-league scraps. Pete Rollins, 6'3" Center from Greenville, and Al Homesley, Stanley speedster, were second and third in the scoring parade with 227 and 174 points, respectively.

The G-W Five entered the Western Sectional Tournament at Kings Mountain, winning their first game 65-60 but falling, in the next two, before Spartanburg and Asheville-Biltmore to gain fourth place honors. Moon, at the conclusion of the three-day tourney, was chosen most valuable player. He scored 63 points in the 3 games.

The following week, Gardner-Webb entered the State Tournament in Shelby. They, along with a trio of other Western Conference teams, were rudely knocked off the first day. Wingate defeated the Bulldogs 75-55.
